

## ENS PRICING GUIDE FOR PROVIDERS, HEALTH PLANS AND ALL OTHER ORGANIZATIONS

Encounter Notification Service® (ENS®) is an automated alerting service that provides timely notifications when patients have acute care encounters. ENS pricing is factored per-patient, per-year, on a quarterly basis. The minimum annual fee for ENS is \$2,000 for dental plans and for all licensed providers, and \$7,500 for all other users. The table below provides sample invoice amounts based on different panel sizes and organization types.
